Activities in the Kingdom

Tasks

In Kingdom there are a lot of daily things to do to ensure that Kingdom functions with its full potential. Earn rewards!

Bosses

Occasionally ANTS will challenge hostile bugs near the Kingdom. In boss fight there are casualties, but rewards are worth it!

Gathering

ANTS Can join the hunting group and go out to search for food. Big Kingdom needs a lot of food to be able to feed all the ANTS.

Leveling

Assign your ANT into the leveling grounds and watch it level up over time!

Incubating

Provide ANT Food for the kingdom, in exchange you are rewarded with a Premium ANT NFT!

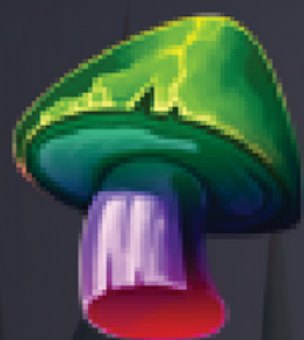

Lottery

Kingdom of ANTS lottery is drawn once a week to change a life of some ANTS for good!

In-Game Items

Obtainable through purses.
Buyable with SOL
\$0.04 = 1 Lottery Ticket

LOTTERY TICKETS ARE USED TO PARTICIPATE IN THE ANT LOTTERY.

Kingdom's Treasury

In-game Purchases

In-Game purchases generate \$SOL. Part of the \$SOL will be reinvested to generate profits. The other part is used to provide liquidity.

- The bigger the treasury, the longer the runway
- The bigger the treasury, the higher the backing per \$ANTC
- Stablecoins (USDT) have a fixed weight of 50% in the invested assets category.
- Other assets and their weights are determined by community (DAO)
- AI Integration in Treasury Management
